Affordable Wine Country River Getaways

Looking for a sun-filled getaway? A road trip to the river communities of Sonoma County might be just what you're dreaming of. If you've already been to Sonoma County wine country you probably went wine tasting or drove along the coast, but when's the last time you set out to explore the three rivers that flow through the famous wine region? If you do, I can promise you that many of your sentences will start with, "Wow, I never knew!"

ST. FRANCIS
WINE & VINEYARD
Authentic Sonoma Avenues!

I'm always amazed at how few Northern Californians have even seen the emerald-hued Guadalupe River, or explored the local shops and galleries of charming Russian River towns such as Forestville, Cazadero, and Monte Rio. Even the glassed Petaluma River has something to offer visitors, such as renting a stand-up paddle board and taking a self-guided wildlife tour.

A weekend river getaway to Sonoma County will be filled with fantastic dining, eclectic shopping, world-class wineries, old town, and outdoor adventures ranging from redwood forest hikes to riverside.

For many first-time buyers, sky-high prices and fierce competition make the prospect of purchasing a home in the Bay Area daunting, and some are priced out. For one San Francisco couple seeking a home for their young family, however, the challenge provided the opportunity to take a fresh approach to home ownership: co-buying.
